Dear Parents,

Summer Vacation is a time for the children to enjoy and relax . These days are precious and valuable and can be made most of if judiciously used. We should always remind ourselves that children will not remember us for the gifts we shower upon them but will always cherish the time we will spend with them. Its time to nurture young minds, inculcate moral values and narrate family anecdotes to keep them in touch with their roots.

Few tips to make the vacation a fruitful time for your child.

1 Encourage your ward to wake up early in the morning.Encourage him/her to greet the elder's Good Morning and Good Night.

2 Involve children in household chores.

3 Facilitate the usage of sentences like : May I go to the washroom , May I quench My thirst etc.

4 Inculcate the habit of using Please, Sorry, Thank You in your ward and try to converse in English with your child (small sentences).

5 Take your child for an outing at least once a week.

6 Encourage your child to drink lots of water, eat fresh fruits and green vegetables to beat the heat. Avoid giving him/her junk food.

7 Encourage your child in learning skills like tying up of shoelace, Putting on socks, dressing & undressing himself/herself, folding apron & napkin.

8 Encourage your child to do free hand colouring & drawing.

9 Interact with your ward vocally as well as through body language,whenever together – be it a market, on road, in the multiplex, while travelling in any mode of transport etc. keeps on answering their queries with full enthusiasm.
